

Back in Town

I'm back in town
standing on the corner
and no one knows my name

but that's all right

here to dust off the lost
and found
of my feelings once again

I'm back in town
when I left I never
thought I'd be away so long

was my leaving song

now I'm gathering up the scat-
tered leaves
of my memories again

*I left a part of me
on the silver streets of my younger days*

*now the heart of me
wanders by the river
in the morning mist*

I can feel I still feel

that darkened hallway kiss

I'm back in town
reflected in your lovers'
café windowpane

I can see your face

here to find out just who
I am
in my thoughts of you again
